Search Continues For Slayer After Body Discovered

Truckee Worker's Body Is Found On Isolated County Road

The four-day search for the car of Halford Roberts ended on Wednesdal when the vehicle was found 100 yards off Highway 40 near Blue Canyon. At the same time the search widened for two men who were seen with the murder victim on Donner Summit shortly before his body was found.

Investigators were continuing their efforts this week to locate clues to lead them to the killer of a Truckee construction worker whose body was found Saturday on a little-used road about nine miles southwest of Grass Valley.

The victim has been identified by his wife as Halford Roberts, 31, of Lodi, employed as a catskinner by Fredrickson & Watson on the new freeway project east of Truckee.

The body of Roberts was found by a rancher and a summary investigation showed he had been shot through the head with a small calibre revolver. The victim's car, a 1951 red and white Ford Victoria, bearing licence No. EEC 776, was missing and a search was being made for the vehicle.

It is presumed that the slayer knew Roberts and knew that he had cashed his pay check and may have accompanied him from Truckee and forced him to drive to the spot where the body was found.

While in this area, Roberts had been making his camp with other construction workers at McKay Springs back of Hirschdale. He occasionally registered at the Riverside Hotel in Truckee where he was a frequent guest.

The heavily tattooed murder victim was identified positively by his wife, Joyce, after deputies found a slip of paper in one of his pockets. The paper bore the name of the victim and his wife.

The coroner's office in Grass Valley said there is a surviving seven year old son.

The body was taken to Lodi for funeral services and burial.

Board Studies Plan For Local District

Directors of the Truckee Public Utility District were meeting in special session today in an effort to reach a decision on replacing Cecil Edmunds, former manager of the district, whose resignation became effective September 1. Edmunds, now on vacation, will return to become the board's technical advisor.

The applications received by the board from prospective candidates for the post of office manager are under study and at the same time the board is seriously considering employment of a man to take over as general manager.

Hal Welch, president of the board, indicated that the employment of an office manager and retention of a superintendent, a position now held by C. M. Dorr, may result in confusion through divided authority and not provide the district with adequate service.

The resignation of C. Edmunds as manager of the district became effective September 1 and presently the office is without a manager, although an accountant from the office of Harry M. Straine & Sons of Sacramento is here to assist in the changeover. The two clerks in the office, Mrs. Eve Hallett and Mrs. Robert Tonini are being retained and work is continuing without interruption.

The board hopes today to set up a definite program of operation, Welch said.

Grandson Arrives For Former Truckee Man

Moke Keilhofer of Sacramento and summer Donner Lake resident told local friends of the family of the arrival on August 15 of John Ginella, Jr., born at Morris, Ill., to his son-in-law and daughter, Mr. and Mrs. John Ginella.

The mother is the former Pern Ann Kielhofer of Truckee and Sacramento.

CHARGE REDUCED IN THEFT OF SAW HERE

Leo Perrott, Lovelock, Nevada, pleaded guilty to a petty theft charge at his preliminary hearing last Thursday before Judge F. W. Wilson and was fined $250. He had been accused of grand theft in connection with the theft of power saws from Fredrickson & Watson.

SUPERVISOR ELECT IS VICTIM OF ACCIDENT

Placer County Supervisor-elect William J. Doyle, Jr. was drowned during the last weekend while vacationing.

Doyle drowned Saturday night when the skiff in which he and two companions were riding capsized off Shelter Cove, Humboldt County.

CHP Reports Busy Weekend As Many Arrested In Area

Officers of the Truckee squad of the California Highway Patrol had a real workout during the Labor Day weekend as traffic through the area probably set a new record.

Sergeant Frank Snyder said the score for the period from Friday noon to Tuesday noon showed the following results:

Fatal accidents, 2, with two killed.

Other accidents resulting in personal injury, 3.

Number of persons injured, 5.

Arrests for drunk driving, 4.

Other arrests for moving violations, 95.

The report showed the two fatal accidents resulted from speeding and in both cases the drivers were alone and ran off the highway.

Gill Held For Trial In Assault Charge

William Gill, 33, was held to answer to the superior court on a charge of assault with a deadly weapon following a preliminary hearing before Judge F. W. Wilson in the Truckee Judicial District Court Thursday.

Bail was reduced to $5,000.

Gill is charged with forcing three men to accompany him from Frog Lake to Euer Valley at the point of a shotgun on August 8. Only one of the complaining witnesses, Walter Taylor, caretaker at the Smith ranch on Frog Lake appeared in court to testify.

Gill, according to officers, went to Frog Lake, accosted Taylor, Lawrence Smith and Frederick Cox, the latter two prominent San Francisco businessmen, and forced them to go with him to the Louis Euer ranch.

Euer is said to have talked his brother-in-law, Gill to drop the shotgun after Mrs. Smith had telephoned officers in Truckee of the trouble. Gill ran into the brush and evaded a lengthy search by officers but the following morning surrendered to Judge Wilson, who took him to Nevada City.

Wilson said Gill admitted the story told, but said he had been drinking and had heard so much of the reported fued between Smith and Euer that he decided to end the matter by bringing the two together.

Deputy District Attorney Leo Todd handled the prosecution in the local court.

LAST RITES SET FOR AMELIA MIRATTA

Funeral services will be held Saurday morning at 10 o'clock at the Truckee Catholic Church for Mrs. Amelia Miratta, 52, who expired Tuesday following a lengthy illness. The Truckee Colonial Mortuary is in charge of arrangements.

The deceased a native of Truckee, was born January 17, 1906.

Surviving are her father, Domenico Pesce, a patient in the Nevada County hospital at Nevada City and a daughter, Mary Miratta of San Francisco.

Burial will be in the Catholic cemetery.

NORTH TAHOE WILL DEDICATE PLANT 4

KINGS BEACH— Plans for a dedication program marking completion of sewage treatment Plant No. 4 for the North Tahoe Public Utility District have been made.

The affair will take place at the plant on Lake Avenue in Kings Beach Friday, September 12 at 2 p.m. and the public is invited. After brief talks by officials, refreshments will be served.

Joe King is president of the district board of directors.

Brother Expires

Mrs. Oscar Schumacher received word August 27 of the death of her brother, Albert Trantow, 78, a resident of Seymour, Wisconsin.

The deceased was wellknown here where he had visited his sister in years past. Two other sisters and a brother are survivors.

BIRTH DATES

Barry Smith was feted August 21 by his parents, Mr. and Mrs. C. Z. Smith on his birth date.

Barry Leamon celebrated his Sept. 2 birthday at a family party given by his parents, Mr. and Mrs. Robert G. Leamon.

Hospital Records Show Huge Gain In Patient Care

Last Month Set Record For Activities At Local Institution

The Tahoe Forest Hospital has just completed the busiest month in its history since first opening its doors to patients in April, 1952. Completed reports for the month of August indicate that the average daily occupancy for bed patients was 80 per cent; Emergency and Outpatients treated numbered 423, with 10 new babies delivered, Administrator J. J. McGlade said.

The increased activity in hospital operations became evident in May and has continued during the summer. The patient occupancy rates were as follows: May, 50 per cent, June 62 per cent, July 72 per cent, August, 80 per cent. Emergency and outpatient activity in May showed a total of 211 patients treated with 340 in June, 423 in July and 423 in August. Five new babies were born in May, five in June, 13 in July and 10 in August. It is felt that the overall trend will continue to increase, due to construction activities in the area, and with an increasing population to serve.

The board of directors of the hospital district have agreed that expansion is indicated, and has been for some time. They are currently considering ways and means to accomplish this with a minimum of delay, so that adequate facilities will be available to handle the needs of our growing community.

Bus Schedule For School Announced

Schedules for the ten buses which will transport children to and from the schools in the Tahoe Truckee District were announced this week.

Departure times of the various buses are as follow:

Bus No. 14: Mt. Rose road (high school students only) 7:15 a.m.; Crystal Bay, 7:30 a.m.

Bus No. 4: Kings Beach post office, 7:30 a.m.; Tahoe City, 8 a.m.

Bus No. 8: Kings Beach for Tahoe City, 7:45 a.m.; Tahoe City for Kings Beach, 8:25 a.m.; Mt. Rose Road (elementary students only), 9 a.m.

Bus No. 1: Squaw Valley, 7:30 a.m.

Bus No. 9: Tahoma, 7:30 a.m.

Bus No. 11: Floriston, 8 a.m.

Bus No. 6: Cisco, 7:10 a.m.; Donner Summit, 8:05 a.m.

Bus No. 15: Donner Summit for Truckee, 8 a.m.; Donner Lake (Richards), 8:10 a.m.

Bus No. 7: Hedlund's Sierra Mobile Homes, 8:35 a.m.

Bus No. 3: Hobart Mills, 8 a.m.

The usual stops will be made en route to and from the schools to load and discharge students.

JUNIOR VARSITY TO ASSEMBLE MONDAY

Coach Cal Farley of the Tahoe Truckee Junior Varsity football team, has announced that all junior varsity aspirants should report at the high school Monday, September 8, at 5:30 p.m. for the issuance of uniforms and physical examinations.

A tentative schedule of seven or eight games has been lined up and a large turnout of potential players is expected. Farley is being assisted this year by Minor Rootes in handling the JV.

ACCUSED ASSAULTER ARRAIGNED IN COURT

Wesley Edwards, Shingle Springs, was arraigned in the Truckee Judicial District Court Tuesday morning on a charge of assault with a deadly weapon. The complaint against Edwards was issued to W. H. West, operator of a service station on Donner Summit, who charged that the defendant threatened him with a rifle after objecting to the service he was receiving.

FETED ON BIRTHDATE

Mrs. Claude Harrison was feted at a family party on August 29 in honor of her birth date.

Out of town visitors included her mother, Mrs. James Dugan and aunt, Mrs. Hattie Hames, coming from Downieville and Mr. and Mrs. Tom Bigelow of Yuba City.

SUNBEAMS

By WALTER M. BARRETT

If you are not qualified to vote, do so before next Thursday, September 11. That is the final date for qualifying for the general election in November and there are scores of local voters who will not be able to vote unless they register or re-register before Thursday. There are many important issues to be decided at the election and your vote is just as big and just as important as anyone's, so be prepared to do your part in selecting officials and deciding issues.

REGISTER TODAY!

When Congressman Pat Hillings opens his state-wide campaign as a candidate for the office of attorney general here next Tuesday, it is hoped that a representative turnout will greet the distinguished guest. This will mark the first time that any major political candidate has started his campaign and made his opening address in Truckee, and we feel that it is a signal honor for Truckee. Hillings, who was elected to congress at the age of 27 and who has served for the past eight years, is a native of Hobart Mills and appropriately enough selected this community for the start of his campaign. His reception should be representative.

25th Forest Fire Of Season Reported

Careless smokers caused two fires in the district during the weekend, swelling the total for the season to 25, 9 man caused, 16 by lightning according to Henry Toccalini of the Tahoe Forest Service.

A small blaze was discovered at 1:30 Friday afternoon by Ernie Siri who was cutting wood in the vicinity of the Carpenter Valley Road at Prosser Creek.

This was followed at 2:30 on Saturday by a two-acre fire that burned sage brush and young timber on the Boca Dam road.

Because the conflagration had gotten such a start, an airplane from Nevada City was dispatched to the scene and chemicals to smother the flames were effectively used to prevent a widespread forest fire.

The danger increases every day with the continued drying weather and the arrival of the deer hunting season, Toccalini said and he urges that every one continue to be careful with any fire and increase vigilance.

DRIVER FINED AFTER WRECK ON SHORTCUT

Savage Burgess, 47, Oakland, was fined $263 when he appeared before Judge F. W. Wilson on a drunk driving charge resulting in injuries to two people Saturday evening.

Burgess was arrested by California Highway Patrol officers after the car he was driving and one operated by James Calvin McKinley, local cattleman, collided half a mile south of Truckee on the Brockway cutoff.

McKinley and an occupant of the Burgess car, Edward Brock of Fresno, were injured in the collision.

THREE BOYS DROWN IN TAHOE ACCIDENT

A Labor Day pleasure cruise in a small boat with an outboard motor ended in tragedy for three young vacationists at South Tahoe.

Two of the bodies were recovered in the deep water off Cave Rock and the third was being sought by the Coast Guard Auxiliary in the same location.

The boys were Ronnie Junker, 13, his brother, Ralph, 16, and Daniel Selix, 14, all of Lafayette.

The discovery of floating gasoline and oil cans gave evidence that the boat had capsized and sank in the rough water despite flotation compartments. It is possible the life jacket worn by the boy still missing may have become water logged and that the body is floating underneath the surface, Fred Main of the Coast Guard Auxiliary said.

Rainbow Meet

The Order of Rainbow for Girls will hold their first fall meeting September 8 at 7:30 p.m. in the Masonic Temple at Truckee.

Two Are Killed In Holiday Mishaps In Local District

Single Car Accidents Put Black Mark On Local Traffic Score

This district contributed its share to the 51 traffic deaths reported in California during the tragic holiday weekend.

Two men were fatally injured in single car mishaps, Sergeant Frank Snyder of the California Highway Patrol said.

The dead are: Leroy George Armstrong, 44, Richmond and Al Grubel, 46, Sacramento.

Grubel was killed at 9:40 p.m. Friday a quarter of a mile east of Norden when the Jeep he was driving left the road, plunged into a 15-foot ravine and up a hill on the right side of the highway 40 feet before crashing into a tree. The driver was thrown out.

The victim had been employed in this area.

Armstrong was pronounced dead on arrival at the Tahoe Forest Hospital after his convertible failed to negotiate a curve on State Route 89 a mile north of Tahoe City and crashed Monday at 11:50 p.m.

Armstrong was traveling north and was alone in the car. Sergeant Snyder said he apparently was driving too fast for the condition of the road. He was pinned under the car.

Two Injured

Two Milbrae boys, Michael Lumox, 16, and Dale Hamlin, 16, were injured Monday morning at 10:15 when the car driven by the former blew a tire two miles east of Rainbow and left the road.

Both were taken to the Tahoe Forest Hospital. Hamlin was later removed to Reno with serious head injuries.

Teachers Named For Area Schools

The 24 teachers in the four elementary schools of the Tahoe Truckee Unified District have been chosen for th eopening of classes next Wednesday morning.

They were named by Superintendent John S. Corbin as follows:

Truckee Elementary

Weston Sauby, principal; Mrs. Dee Osburn, kindergarten; Miss Prudence Manley, first grade; Mrs. Winifred Scott, second; Mrs. Edna Mae Hales, third; Mrs. Arlene Roth, third and fourth; Jack Stever, fourth; Michael Leslie, fifth, and Mrs. Ruth Roberson, sixth.

Kings Beach

Harvey Price, principal; Mrs. Louetta Mills, kindergarten; Mrs. Leonora Ferrari, first grade; Mrs. Katherine Wing, second; Mrs. Dorothy Corbin, third and fourth; Mrs. Gladys Putynkowski, fourth and fifth; M. Rex Anderson, sixth; Mrs. Alysmae Schultz, seventh.

Tahoe Lake

Vernon Reynolds, principal and teacher of fifth and sixth grades; Mrs. Macie Henke, kindergarten; Mrs. Geraldine Cavallo, first and second; Mrs. Lillian Farr, second and third and Mrs. Helen Rauscher, fourth.

Donner Trail

James Simmons, principal and teacher of upper grades and Miss Donna Power, lower grades.

6TH, 7TH GRADERS TO REMAIN AT TAHOE

In order to relieve as much pressure as possible of increased enrollment and while the new buildings are under construction, the 6th and 7th grades from Tahoe City area will go to the Kings Beach school this fall, District Superintendent John Corbin announced.

In the event that too many of the 7th graders are at Kings Beach, the classes will be divided to bring some of the students to the high school, Corbin said.

All children living east of Dollar Hill, regardless of grades, will enroll at the Kings Beach school.

O'ROURKE AIDE IN STATE SCHOOL POST

Friends here will be pleased to learn that Everett O'Rourke, first superintendent of the Tahoe Truckee Unified School District, has been appointed as assistant chief of secondary education for the state department of education.

O'Rourke has moved from Belmont where he was district superintendent to Sacramento where he is now employed.

Fifth Deputy Will Provide Full-Time Policing Schedule

With the addition of the fifth deputy sheriff in the Truckee area, this district now will be given complete 24-hour police coverage, Sheriff Wayne Brown announced.

The latest addition to the local squad is Robert Schooley, 35, for the past nine years a Vallejo city policeman, who took up his new duties here Friday night.

Schooley, his wife and two children, a son, 8, and a daughter, 4, are building a home in the area adjoining Donner Trail Estates where they purchased half an acre from Mrs. Eve Popovich. The family is well impressed with the new location and plans to make this a permanent home.

Schooley is an army veteran of World War II and comes here highly recommended as an able and capable officer.

Other members of the local squad are Roy Waters, Emery Lander, Roger Johns and Leo Zander.

The sheriff has set up a patrol schedule which is designed to keep at least one man on constant duty during the day and two at night around the clock each day. Radio communication from the office of the California Highway Patrol will be constant, making an officer available at all times within minutes, the sheriff explained.

While the patrol car has not yet been secured, it has been authorized and should be here in the future, Brown said.

Mountaineers Lose Final Game Of Year

The Truckee Mountaineers dropped their final game of the season Sunday to the Desert Admirals at Fallon by a score of 13 to 10.

Truckee held a commanding lead until the fourth inning when the hometown team got on a batting spree and scored seven times. The Mountaineers came right back in the fifth to score twice and again in the sixth for two runs to tie the score.

In the seventh, the Admirals pounded out three more runs to put the game on ice and leave Truckee with a season's score of eight wins and eight losses.

Bob Oates, Truckee right fielder hit a four-bagger in the fifth with one on base and Zalewski hit a homer with two on for the Admirals in the seventh. Goicoa for Truckee and Grimes for Fallon each got a three-base hit while Goicoa added to his record with two doubles. Stone and Campbell of the Mountaineers also hit two-baggers.

Errors counted heavily against the local team with eight being scored, while the Admirals made 3.

Manager Al Wakefield said the team will be activated in the spring for another go in the Sierra Nevada League. At the same time he expressed appreciation for the fine support the team has enjoyed this year—leading the league in home game attendance.

The short score:

	R	H	E
Truckee	10	12	8..
Admirals	13	11	3

Goicoa, C. Robinson and Stone; Forst, Appleton and Grimes.

433 NOW REGISTERED AT HIGH SCHOOL HERE

With 433 students registered at the Tahoe Truckee High School up to Tuesday, Principal William Sciutto has again urged parents of new students to call at the school office between now and September 8, when registration closes, to enter their children in classes. The office is open between 9 a.m. and 3 p.m.

Fall semester will start Wednesday, September 10 and Sciutto said he hoped to have all students registered and assigned before that date.

SEPTEMBER 11 LAST REGISTRATION DATE

September 11 is the final date to register to vote at the general election.

Mrs. Cecil Edmunds, who resigned her post as registrar of voters in this vicinity, has been replaced by Mrs. Eve Hallett, clerk in the office of the Truckee Public Utility District and local residents may register there.

County Clerk John T. Trauner, who was here Thursday, urged all residents who are not presently properly registered to do so immediately in order to qualify as voters at the November election.

Pat Hillings Will Open Campaign Here On Tuesday

Luncheon Will Be Held At Lodge As Candidate Gives Address

Nevada County and particularly Truckee will be signally honored Tuesday when, for the first time in history, a major political candidate will make his "kickoff" campaign address here.

Patrick J. Hillings, candidate for the office of attorney general of California, will be a special guest at a luncheon to be held at Donner Lake Lodge Tuesday, September 9 and at that time will initiate his campaign. The public is invited and N. F. Dolley, president of the Truckee Chamber of Commerce, is urging a large turnout to welcome the distinguished guest.

Residents of Lake Tahoe and other communities are also asked to attend.

Congressman Hillings is a native of Hobart Molls, born in the community hospital there on February 19, 1923 and his father was associated with the old Hobart Southern, the railroad which plied between Truckee and Hobart Mills. Many of the old timers here will recall the Hillings family.

HON. PATRICK. J. HILLINGS

Hillings is a graduate of the University of Southern California law school and for the past eight years has served in congress, representing his district in Los Angeles.

Aided Games

Of particular interest to residents of this area, Hillings was one of the leaders in legislation to bring federal financial assistance to support the 1960 Winter Olympic Games and to provide military personnel to assist in putting the games over. He also supported legislation providing for the four-lane freeway across the Sierra.

The congressman will fly to Reno Tuesday morning where he and his wife, Phyllis, will be met by Hal Welch, chairman of his Nevada County committee, and escorted to the Donner Lake Lodge. He will be accompanied by members of his staff, including Phil Breck, northern California campaign manager and Frank Kust, director of public relations as well as others.

Immediately following the "kickoff" address and luncheon, Candidate Hillings will start his northern California campaign, going from here to Marysville and hopes to meet with voters throughout the northern part of the state before returning to Los Angeles.

It is sincerely hoped by chamber of commerce officials and others that a large turnout will be on hand to meet Hillings and reciprocate in the honor which he and his associates are bestowing upon this district.

OSBURNS RETURN AFTER ALASKA TRIP

Mr. and Mrs. Clarence Osburn returned Wednesday from Alaska where they spent two weeks on a vacation trip. Sunday, Charles Osburn, who had flown up to the 49th state to enjoy a few days fishing and sight-seeing also returned home.

The former couple accompanied the latter's daughter, Miss Marie Osburn and Miss Marcia Keller of McCloud to Anchorage where the two young women are employed.

Both Osburns reported an enjoyable trip, excellent fishing and a beautiful country. They went as far north as Point Barrow before flying home.

TWO GIRLS BORN AT HOSPITAL IN WEEK

Two small girls arrived at Tahoe Forest Hospital recently to join their parents.

The first child was born August 30 to Mr. and Mrs. Gordon Stewart of Truckee. Theone Ann's first weight was registered as 6 pounds, 14 ounces.

Mr. and Mrs. John Golonka, also of Truckee became parents of a daughter September 1. Neva Joan were chosen names for the 5 pound, 1½ ounce baby.

CLUB MEETS

The first fall meeting of the Great Books Discussion Club will be held at the high school library at 8 p.m. September 10 at which time the subject will be St. Thomas Aquinas' Treatis on Law.

The Tom Borneman family of Greenville visited here last week.

COLLEGE EXPECTS TO ENROLL 700 SEPT. 8

Sierra College expects to greet between 650 and 700 students when regular classes start on September 8, along with increased registration for the extended day program, registration for which takes place Thursday and Friday nights of this week.

Frank Van Vliet, director of the extended day program, announced this week the class in retail merchandising at the Roseville Union High School will take place on Tuesdays from 7 p.m. to 9:30 p.m. It had been scheduled for Wednesday sessions.

He also announced First Aid and Hygiene will be given in Room 82 of the Sierra College plant in Auburn on Mondays, and that Biology 10 will be given on Wednesdays in Room 73.

Other scheduled courses in the extended day program will be given at times and places previously announced, Vliet said.

13,347 LICENSES ISSUED FREE TO CALIFORNIANS

A total of 13,347 licenses and tags have been issued free of charge to Californians in various categories, the department of fish and game noted today.

Most of these— 11,246— were issued to recipients of California's aid to the needy aged program. Disabled veterans applied for and received 914 fishing licenses. Other recipients: Disabled veterans who could qualify received 379 free hunting licenses and 379 free deer tags. Qualified blind persons received 414 free fishing licenses and qualified Indians received 15 free fishing licensese.

The distribution of free licenses and tags was set up or modified by laws passed by the 1957 Legislature.

M.A. 054559, United States Land Office, Sacramento, California,

August 6, 1958

Notice is hereby given that Charles H. Henrikson and Oliver M. Henrikson, who reside at Tahoe City, California, have made application for mineral patent to the Squaw Valley Gravel and the Squaw Creek Placer Mining Claims, for lands described as follows, to-wit: The Northwest quarter of the Northwest quarter of the Northeast quarter of the Southeast quarter, and the North half of the Northeast quarter of the Northwest quarter of the Southeast quarter, and the Northeast quarter of the Northwest quarter of the Northwest quarter of the Southeast quarter, and the South half of the Northeast quarter of the Northeast quarter of the Southeast quarter, and the South half of the Northwest quarter of the Northeast quarter of the Southeast quarter, and the South half of the Northeast quarter of the Northwest quarter of the Northwest quarter of the Southeast quarter, all in Section 28, Township 16 North, Range 16 East, MD Mer., exclusive of any lands in conflict with the application; namely, Lots 46, 48, 50 and 52, or any part thereof, of Tahoe Truckee Forest as shown in Book B of Maps at Pages 7, 8 and 9, as recorded in the Office of the Recorder, Placer County, California. Location notices are recorded as follows: Squaw Valley Gravel Placer Mining Claim in Mining Records Volume 6 page 50; Squaw Creek Placer Mining Claim in Mining Records Volume 6 Page 489 in the official records of Placer County, California. There are no conflicting or adjoining claims.

INLAND ARCHER DEER SEASON OPENS SEPT. 6

The inland archery deer season opens September 6 in California in the same counties designated for the inland rifle season, which opens September 20.

The archery season will continue through September 15. The bag and possession limit is the same as in the rifle season, one buck in most of the counties. Bag and possession limit on bears for archers is the same as for rifle shooters, two bears per year. (There is no bag and possession limit on bears in Humboldt County.)

Deer tags and bear tags must be obtained by archers.

Until Rains Soak Area, Fire Danger Still High

SACRAMENTO — "Unusually heavy ground vegitation and extremely dry conditions make it imperative for Californians to be extra careful with all fires during the next few weeks", according to John A. Brown, Nevada County Keep California Green chairman.

"We really won't be in the clear until the soaking fall rains occur", according to Brown, who urges that as residents of California plan for a day or weekend in the mountains they include an extra ounce of fire prevention in the list of things they will take with them from home.

"Fire prevention requires the cooperation of everyone if our forests are to continue as desirable areas for recreation. We already have many areas standing as blackened monuments to our carelessness with fire in the forest", Brown said, "These burned-over areas not only deny Californians areas for recreation but waste resources which might have been used for man's benefit in many other ways."

CERTIFICATE OF DOING BUSINESS UNDER FICTITIOUS NAME

KNOWN ALL MEN BY THESE PRESENTS: That I, RUBY SYLVIA HARTSTEN, do hereby certify that I am transacting business in the County of Nevada, State of California, under the fictitious name and style of A-1 PLUMBING.

That the principal place of business of the firm is situated at Truckee, County of Nevada, State of California.

That the name in full of the member of said firm and her place of residence are as follows to wit:
Ruby Sylvia Hartsten
Truckee, California.

NOTICE OF GENERAL ELECTION TAHOE FOREST HOSPITAL DISTRICT

Pursuant to Section 32100.3 of the Health and Safety Code of the State of California, and authorization of the Board of Directors of said Tahoe Forest Hospital District, NOTICE IS HEREBY GIVEN:

That the Tahoe Forest Hospital District GENERAL ELECTION shall be held therein on Tuesday, the 18th day of November, 1958, for the purpose of electing three persons to membership on the Board of Directors thereof.

Candidates for the three offices of Directors to be voted upon, as set forth above, may secure nomination forms from the secretary of said Board of Directors, which said nomination forms must be filed with said secretary not later than September 12, 1958.

DATED: This 19th day of August, 1958.

Chas. R. Heller
Secretary - Board of Directors Tahoe Forest Hospital District.

First Publication date: August 21st, 1958.

SIERRA COLLEGE SELLS $2,740,000 IN BONDS

The inflationary trend caught up with Sierra College when it sold the final $2,740,000 of its bonds to finance the construction of a new plant near Rocklin.

They were sold to Blythe and Company of San Francisco for par and a premium of $1,972, but the interest rate was fixed at 3.7236 by the bidder.

They were opened by the board of supervisors, and accepted as the low bid. Bank of America was the only other bidder.

Over the life of the bonds, the company estimated total interest charges will be $1,125,640.60.

One ingredient is essential to brew exceptional beer...

1,512 CAL-VET FARM, HOME LOANS MADE

SACRAMENTO —(CNS) — The state department of veterans affairs reported 1,512 "Cal-Vet" farm and home loans were made during July, with a total value of $19,168,414 under the 20-year contracts.

purchers announced recently that

The division of farm and home all active applications on file in July will be processed by the end of this year. However, applications continue to come in from California veterans at a rate of nearly 3,000 a month, with about half of these actually eligible for loans when they are offered.

PLACER ADOPTS NEW PLANNING PROGRAM

AUBURN — The board of supervisors approved a plan to change the membership of the Placer County Planning Commission by eliminating advisory members.

Under the new setup, the district attorney, county surveyor and chairman of the board of supervisors no longer will serve as advisory members. The regular seven man membership of the commission will be retained. The pay of members will be increased from $15 to $20 a meeting.

District Attorney Al Broyer was directed to incorporate the changes in an ordinance. They were recommended by County Executive John Bernard after a study of the commission.

TRAVEL SECRETARY NAMED BY KNIGHT

SACRAMENTO —(CNS) — Gov. Goodwin J. Knight has announced the appointment of James T. Ransdall, III, of Sacramento, son-in-law of State Architect Anson Boyd, as his travel secretary.

Ransdall, who serves as contract officer with the division or architecture, will serve the governor on leave from his present position.

A previous travel secretary, William Gilliss, who now is on other assignment on the governor's secretariat, is the brother of the Director of Public Works (which includes architecture), C. M. (Max) Gilliss.

HOLLYWOOD WOMAN CHIEF OF DIVISION

SACRAMENTO —(CNS) — Gov. Goodwin J. Knight announced he has appointed Mrs. Alta Clifford Potter, Hollywood, as chief of the division of industrial welfare in the department of industrial relations.

Mrs. Potter succeeds Miss Margaret Kay Anderson in the $12,000 a year post. Miss Anderson left to enter private enterprise.

Knight said Mrs. Potter has served as chief of educational activities in the office of civil defense for the City of Los Angeles since July 1956.

The division enforces various state laws and its own regulations concerning wages and hours and working conditions.

Public Assitance Rolls In State Show Increase

SACRAMENTO —(CNS)— Public assistance rolls in California have declined seasonally but have failed to match the normal downward trend during the summer months, the state department of social welfare reported.

"That would indicate that families are having a more difficult time recovering from the recent economic dip," the department said. "Unless these programs show a higher rate of recovery the rolls this coming winter might near or surpass all-time totals."

General relief totaled 70,000 in July, as compared to 51,000 a year ago.

LAST RITES HELD FOR JOSEPH F. O'CONNOR

GRASS VALLEY— A funeral mass for Joseph F. O'Connor, 71, Nevada County surveyor, former road commissioner and a native of North Bloomfield, Nevada County, was held in St. Patrick's Catholic Church at 10 a. m. today. A rosary was recited Tuesday night in the Hooper Weaver Mortuary Chapel.

O'Connor, who had been in ill health several years, died Sunday in the Jones Memorial Hospital.

He was a charter member and a past president of the Grass Valley Rotary Club. He was a member of several national engineering societies and was a skilled underground surveyor.

He left no survivors in this area.

CHP WINS NATIONAL ACHIEVEMENT MARK

SACRAMENTO —(CNS) — The California Highway Patrol announced it has received an award for outstanding achievement in the field of police traffic supervision for the ninth consecutive year.

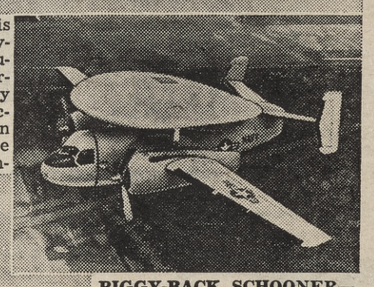
John D. Holstrom, president of the International Association of Chiefs of Police and chief of the Berkeley Police Department, made the award to Gov. Goodwin J. Knight, who in turn presented it to B. R. Caldwell, CHP commissioner.

Every state police agency in the U.S. participates in the appraisal program which leads to selection of the award winner. This year, the CHP shared honors with the North Carolina Highway Patrol.

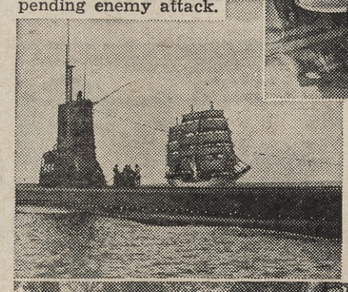
On Sept. 13, 1847, U.S. Marines stormed through the "Halls of Montezuma" on their way to Mexico City.

Shapes of Progress

PAT HANDS—Like aces, back to back, two members of the Navy's famed Blue Angels flying team, show their skill with a pair of new Gruman supersonic jet fighters, F11F-1 Tigers. United Press Photos



FLYING SAUCER?—This strange looking aircraft, flying on one engine, is actually an early-warning airplane designed for Navy carriers. Long-range detection equipment housed in the saucer-like radome gives early warning of impending enemy attack.



PIGGY-BACK SCHOONER—Although this three-masted square rigger appears to be stealing a ride on the deck of a new U.S. sub, it actually was some distance away when photographed. The Norwegian old-timer has a feature role in a current movie called "Windjammer."

DESTRUCTION FOR NEW CONSTRUCTION—With just one steady pull on the cable, this International Drott TD-9 Skid-Shovel topples a shack that stood in the way of progress for the new Atlanta, Ga., expressway. After the tractor had pulled over the shack, it returned and loaded out the debris.

15,822 EMPLOYES OF STATE BUY 'E' BONDS

SACRAMENTO —(CNS) — The chairman of the state employes savings bond committee has reported to the governor that 15,822 state employees are buying Series E U. S. Savings Bonds through payroll deductions.

The chairman, Oscar W. Olsen, said the number of state employees buying bonds through payroll deductions was up 19 per cent over 1957.

GAIN IS RECORDED IN STATE FACTORY WORK

SACRAMENTO —(CNS) — Employment in California factories rose 19,900 from June to July, the department of industrial relations reported, due mostly to seasonal expansion in food processing, lumber, apparel and stone, clay and glass.

Gains in two heavy goods industries — electrical equipment and ordnance — also provided the upswing.

Total manufacturing employment for July was 1,178,100 wage and salary workers. However, this still was 881,300, or 6½ per cent below the level of employment in July, 1957. The department said the margin below last year was smaller than in recent months.

PRISON POPULATION IN STATE INCREASES

SACRAMENTO —(CNS) — The population in California's prisons jumped past the 18,000 mark during July, with 18,006 inmates in the prisons, reception-guidance centers or camps by July 31.

This was an increase of 10.3 per cent over the 16,321 persons incarcerated a year ago and a .6 increase since June 30.

During July, 410 persons were granted parole status and 87 were discharged directly at the expiration of their sentences. During the month, 487 new inmates were received from courts and 137 were returned as parole violators.

STATE TRAVEL IN SLIGHT DECLINE

SACRAMENTO—(CNS)— Traffic on California highways dropped during July by 1.9 per cent from July, 1957, the state department of public works reported.

Traffic normally gains 3.3 per cent from June to July.

As compared with July of 1957, the traffic during this July showed a jump of 4.8 per cent in passenger vehicles and a 2.9 per cent increase in freight vehicles.

Freight vehicles accounted for 16.1 per cent of week-day traffic.

Weather

What a beautiful weekend — the Lake was like glass and a real Azure blue — truly a sight no one should have missed. The resorts were mostly filled and the casinos at Crystal Bay were packed to the limit. It looks as though the fall season is going to be its delightful self. The aspen trees are already starting to turn to a beautiful gold. The temperature has been in the high 70's all week and the full moon shining on the lake was a delightful sight, this is really Lake Tahoe at its best.

Florida Bound

Joby and Helen Lewis— and by the way Helen is coming along very nicely now— are leaving. Their first stop will be Detroit and then on to Florida— they will most likely stay there untill spring when they return to this area.

Over the Weekend

Chuck Redd, former high school teacher of Truckee arrived at the lake for the weekend bringing with him Davey Ashton from the Oak Knoll Hospital in Oakland, who had to return Monday. Chuck, by the way, will be teaching in San Lorenzo this winter.

Visitors

Mrs. Ella Blake was up with friends, Mr. and Mrs. Moody of Richmond and Jean Phillips of San Francisco.

From Florida

Mr. and Mrs. J. C. Glunt are spending a week here coming by bus from Florida. They were real community minded citizens in this community before leaving to make their home in Florida.

At Lake

Dick Evans and family spent the week at their home on Brassie Avenue. Dick and his brother Ernie have the Eastside Bar in Reno.

Guests

Mrs. Grace Eybel came up to her beautiful home on the golf course and brought 14 guests— they were from Oakland and Bakersfield.

Gone Home

Beverly and Wyman Williams and sons left for their home in Pasadena this last weekend. Wyman has extensive building to get started this fall and by the way, young Randy spent a delightful birthday with many children attending. Happy birthday, Randy.

New Flying 'A' Manager

Woddy Burris, we are happy to hear, has taken over the Flying 'A' station in Kings Beach. They also operate the Sun and Snow Motel.

New Citizen

Lee Maddens, formerly of Kings Beach, now of Lovelock, are the proud parents of a brand new baby boy, weighing in at 7 pounds, 12 ounces. His name is Bruce Karl. Congratulations Lee and Margaret.

Sold

Mrs. Preston has sold the Red Barn on Highway 28. Also the Ray Plunketts have sold their home at Incline. Full reports of the above will be in the next issue.

Sad News

The residents of Kings Beach, those of us who have been here for a number of years, were deeply shocked to read of the passing of Roger M. Colton. Roger formerly owned what is now known as the Tahoe Food Center and Crystal Bay Market. Our deepest sympathy goes to Mrs. Colton and the children. We were also saddened by the passing of Joe Henry of Tahoe City and also Mr. Harry Henrikson of Tahoe City who passed away recently. He was the father of Charles and Oliver Henrikson.

Returning Home

Mr. and Mrs. Ravette Wallace of Palo Alto have been staying at the Bradley Wallace home in Brockway and have returned to their home this week.

Fall Vacationers

Mr. and Mrs. Hugh Johnson's daughter and her husband, Charles and Karen Thomas, who were recently married, are up for a 2 week vacation from Oakland.

Cute Kids

Joellyn Ashton had as guests last week Miss Allard of Evanston, Wyoming, and her sister Rita Lois graduated with Joie from Holy Cross Hospital. Miss Louise Roberts of Denver Colorado, a teacher, and Miss Margene Olson, another graduate nurse of Salt Lake City. The girls had never been to California before and could not get over the sight up here. They all want to come back and you can't blame them.

GENERAL BUSINESS IN CALIFORNIA DOWN

SACRAMENTO —(CNS) — The state banking department reported over-all business activity in California during July was down slightly from June.

Total bank debts of $15.6 billion in July and $102.8 billion for the first seven months of 1958 continued to exceed the previous year. Applications for FHA and VA loans commitments and guarantees on new construction dropped 11.6 per cent from June, but for the seven-month period was 27.5 per cent higher than in 1957.

URGES EARLIER SNOW CLEARANCE IN PASSES

SACRAMENTO —(CNS) — A spokesman for the mountain counties of Alpine, Amador, Tuolumne and Calaveras has told the California Highway Commission he feels the division of highways "waits too long on nature" in opening the high passes in the spring.

Louis A. Spinetti, of Jackson, of the central valley highway committee of the state chamber of commerce, said a couple of weeks difference in the spring makes considerable difference in business for the resort areas, where heavy investments have been made.

YIELD RIGHT OF WAY SIGNS EXPLAINED

More and more of the triangular Yield Right of Way signs are appearing at intersections and motorists should be fully aware of their purpose and significance, says the California State Automobile Association.

These signs are designed to expedite the safe movement of traffic through certain intersections where conditions may not warrant a red "Stop" sign, but where it is desirable to assign the right of way to approaching traffic.

When traffic studies show that a complete stop at certain intersections may not always be essential for safety, there yet may be need for some type of control. The "Yield" sign is intended to meet this situation, points out the AAA motorists' organization.

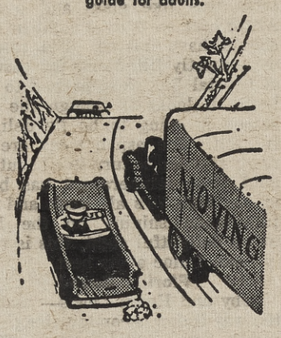
The Vehicle Code states that a motorist approaching a "Yield" sign at an intersection is required to:

1. Reduce his speed to 15 miles an hour.
2. Stop, when necessary, to yield the right of way to any vehicles approaching on the intersecting street that are so close as to constitute an immediate hazard.

Drivers who do not obey these injunctions are not only driving unsafely and discourteously but are also breaking the law.

HOW TO DRIVE

A tip from the AAA's driving guide for adults.



KNOW WHEN TO PASS

Poor judgment in passing other cars results in many serious traffic accidents. Here's the procedure outlined in AAA's new adult driving guide, HOW TO DRIVE, which all drivers should follow: Position yourself well behind the car you intend to pass so you can see the road ahead. Carefully check traffic conditions to the rear as well as in front of you. Ahead, look for bridge approaches, narrowing pavement, pedestrian or bicycle traffic, intersections, or any other obstruction which might cause the car you are passing to swerve to the left. Never assume that oncoming traffic in the passing lane will slow to allow you more space. If the person you are passing accelerates and thereby shortens your passing space, drop back and give up passing rather than run a foolish risk. After you pass, return to the right-hand lane only when you can see the car you have passed in your interior rear-view mirror.

Bishop Hayden Speeks At Tahoe Rotary Meet

TAHOE CITY— Tahoe City Rotarians and visitors attending the August 19 luncheon meeting at Tahoe Inn, heard Bishop Clarence Hayden tell of his recent airplane trip to England by way of the North Pole and of his six weeks stay at London while attending the International Conference of Bishops.

The bishop said he had an opportunity to learn something of the thoughts of the British people and their economics. Living costs, he said, are comparable with ours in the United States but taxi service is much less for you can ride for shorter distances for as little as three cents. He found some people, tavern owners and clerks, antagonistic against Americans and the thought of possible war is in the minds of most of the people.

In conference, the bishop said foreign affairs and the threat of war was considered a necessary discussion and 40 per cent of the 320 bishops recommended stopping any further atomic or hydrogen bomb tests. The bishop said he spoke up in defence of the bomb test telling his listeners that since earliest civilization man has defended his life and liberty with the best weapon at hand and he mentioned all the various weapons produced up to the atomic bomb. He said war is not a religious act but, wars have been necessary to protect our lives and way of life and, the atomic bomb did end a war and save further bloodshed. The Bishop hoped that it will never again be necessary to use the atomic bomb but he said we cannot throw it away and trust that an unscrupulous enemy will do the same.

Fred Kilner, program chairman for August, introduced the bishop who will conduct services this summer at the Outdoor Chapel south of town. Martin Spitsen presided.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO—(CNS)— If the electorate was comprised only of state officials, financial experts, politicians and persons with better than an average knowledge of the state's fiscal condition and problems, Prop. 17 on the November election ballot would be a dead issue.

But such is not the case and the initiative measure has some surface features certain to appeal to the working class — namely, reduction of sales tax from 3 to 2 per cent and a shift of the personal income tax load from persons earning less than $5,000 to those making more than $25,000.

There's much more to it than that, of course, and that's what has some of the state's officials worried. It would freeze such tax formulae into the constitution, for one example, removing the legislature's jurisdiction.

Evidence of the far reaching effects of the proposition — sponsored by the California State Federation of Labor — was given recently when State Treasurer A. Ronald Button announced a scheduled sale of $100 million in veterans bonds in October would be postponed until December. Banking officials who head the syndicates who purchase state bonds warned Button all he could look forward to in October was uncertainty and apprehension as to the state's future financial condition, resulting in abnormally high interest on the bonds. While the difference in interest rates between 3 per cent and 3.1938 per cent may not seem too much to the ordinary person, whose experience in loans and interest may be confined to a $200 personal loan at his bank or purchase of a new automobile or refrigerator on the installment plan, it is a major item when it concerns more than $1 billion in bonds.

Thus it's possible that some of the very persons who may vote in favor of Proposition 17 will be those who will suffer in the long run — that is, state veterans who might have to pay a higher rate of interest on their farm and home loans if the state's credit is impaired to the point bond purchasing firms or syndicates charge higher rates.

In capitol circles, one well might ask: Why all the to-do about Prop 17? Everyone is against it and not one state official has endorsed it. A joint legislative committee taking testimony has been flooded with arguments against the measure and few, if any, favoring it.

But the sentiments in the capitol and around committee hearings out in the state do not necessarily reflect those of the citizens who step through the curtains to mark ballots. And, to them, a 1 per cent reduction in sales tax and break on income taxes may look big.

There was a time, of course, when it appeared feasible to cut state revenues and wipe out huge surpluses, thus forcing the legislature to live within its means in operating state government. An exponent of this philosophy was the late Assemblyman Jonathan Holibaugh (R-Huntington Park). However, had not Holibaugh died of a heart attack at the close of the 1951 session, he would have been surprised to discover the weaknesses in his theory.

For the bureaucratic form of government finds it impossible to attempt to curtail expenditures to fit income. Rather, it goes along on its spending spree first, then looks for the revenue second. Thus the budget passed this year was considerably higher than the year previous, despite the business recession. This was not confined to increases brought about by higher population but also included new and expanded services.

How the taxpayer is stuck in the end already has been made apparent in serious fiscal discussions of the ramifications of the adoption of Prop. 17. Some experts have agreed the only solution would be extension of sales tax to food items, thus biting even deeper into those persons who supposedly would benefit from the tax "relief" initiative.

State of California
Department of Public Works
Division of Highways

NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Department of Public Works, Division of Highways, at the office of the District Engineer, 703 "B" Street, Marysville, California, until 10 a.m. September 11, 1958 at which time and place they will be publicly opened and read, for performing work as follows:

Nevada County, 0.25 miles east of Donner Lake Gate, (III-NEV-37-D), drainage facilities to be constructed.

Plans and specifications, and forms of proposal, bonds, and contract may be obtained at the above address.

No bid will be considered unless it is made on a proposal form furnished by the District Engineer, and is made in accordance with the provisions set forth under Section 2, "Proposal Requirements and Conditions", of the Standard Specifications. Each bid must be accompanied by a proposal guaranty in accordance with the requirements of Section 2, article (g), of the Standard Specifications.

The Department of Public Works reserves the right to reject any or all bids.

The quantities listed in the State Highway Engineer's Estimate hereinafter stated, are approximate only, being given as a basis for the comparison of bids, and the Department of Public Works does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work, as may be deemed necessary or advisable by the Engineer.

Bids are required for the entire work described herein.

In acordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows.

Rate per hour	Classification
$3.00	Apprentice (oiler, fireman, heavy duty repairman helper)
2.785	Asphalt ironer and raker
2.935	Cribber
2.685	Flagman
3.55	Heavy duty repairman
2.685	Laborer
2.685	Limber, brush loader and piler
3.95	Operator of power shovel, dragline, crane, clamshell, backhoe - over one yard
3.75	Operator of power shovel, dragline, crane, clamshell, backhoe - up to and including one yard
2.935	Pipe layer, caulker, bander
3.75	Power blade operator
2.935	Riprap stonepaver and rock slinger including placing of sacked concrete (wet or dry)
3.50	Roller or self propelled compactor operator
3.55	Scoopmobile operator (when used as a loader)
3.10	Spreader boxman (with screeds)
3.70	Tractor loader operator (up to two yards)
3.85	Tractor loader operator (two yards or over)
2.75	Truck driver - under 4 yards (water level)
2.89	Truck driver - 4 yards and under 6 yards (water level)
2.925	Water truck driver - under 2,500 gallons

Any classification omitted herein not less than $2.685 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

STATE HIGHWAY ENGINEER'S ESTIMATE

Item 1. Clearing and grubbing.
Item 2. 180 cubic yards structure excavation.
Item 3. 100 cubic yards structure backfill.
Item 4. 900 cubic yards ditch and channel excavation.
Item 5. 6 tons plant-mixed surfacing.
Item 6. 26 cubic yards light stone riprap.
Item 7. 76 linear feet 72" corrugated metal pipe (10 gage).

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the TAHOE-TRUCKEE UNIFIED SCHOOL DISTRICT, Counties of Placer and Nevada, State of California, hereinafter referred to as the owner will receive up to but not later than 8:00 P.M. on the 16th Day of September, 1958, sealed bids for the award of a contract or Contracts for development of a portion of the Tahoe-Truckee High School including grading and turfing for an athletic play field and the installation of an iron culvert bridge, near Truckee, Nevada County, California. Such bids shall be received at the Office of the Superintendent, Tahoe-Truckee High School, U.S. Highway No. 40 near Truckee, Nevada County, California, and shall be opened and publicly read aloud at the above stated time and place.

IN ACCORDANCE WITH THE PROVISIONS of Articles 1 and 2 of Chapter 1, Part 7, Division II of the Labor Code, and Local Laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

Craft Classification	Hourly Wage Rate	Per Diem Rate	Holidays & Overtime
Laborers	$ 2.685	$ 21.58	*
Carpenters	3.375	27.00	
Power Grader, Power Planer, Motor Patrols or any type Power Blades	3.75	30.00	
Truck Drivers:			
Dump Trucks & Dumster Trucks:			
Under 4 yds (water level)	2.75	22.00	
4 yds & under 6 yds (water level)	2.89	22.32	
6 yds & under 8 yds (water level)	3.10	24.80	
8 yds & over (water level)	3.35	26.80	
Water Trucks:			
Under 2,500 gallons	2.925	23.40	
Over 2,500 gallons	3.025	24.20	
Tractors	3.55	28.40	

OVERTIME Saturdays, Sundays and Holidays — time and one-half unless otherwise shown.

*Time and one-half except Sundays and holidays, which shall be at the rate of double time.

Each bid must conform to the Requirements of the Drawings and Specifications and all other Documents comprising the Contract Documents. The Contract Documents may be examined and copies obtained at the Office of the Architect, GORDON STAFFORD, 1024½ J Street, Sacramento, California, and at the Office of the Superintendent, Tahoe-Truckee High School, U.S. Highway No. 40 near Truckee, California.

No bid will be considered unless it is made up on a form provided by the Architect and accompanied by certified check, cashier's check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above-mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the Contract if it be awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the Contract to the bidders.

The successful bidder will be required to furnish a Labor and Material Bond in an amount equal to fiftv percent (50%) of the Contract price, and a Faithful Performance Bond in an amount equal to one hundred percent (100%) of the Contract price. Said bonds shall be secured from a Surety Company satisfactory to the Owner.

The Owner reserves the right to reject any and all bids and-or waive any irregularities or informalities in the bidding.

Dated this 25th day of August, 1958.

JOHN A. CORBIN
Secretary of the Governing Board of the TAHOE-TRUCKEE UNIFIED SCHOOL DISTRICT, Placer & Nevada Counties, California.

MISSING MOOSE HEAD FOUND BY OFFICERS

With the assistance of Forest Service Patrolman Preston Patnoude, Deputy Sheriff Emery Lander has recovered his long-lost moose head.

The mounted head, which had been described to the local office as stolen from the Frog Lake home of Felix and Lawrence Smith about a year ago and which Lander hoped could be used in a theft trial, got "lost" and was the object of an intensive search for several days.

Last Friday while patroling in the vicinity of Carpenter Valley, Patnoude discovered the missing evidence and accompanied by Lander recovered it along the bank of Alder Creek.

In the meantime the theft case was tried and the defendants cleared. Now Lander has a badly damaged moose head on his hands unless the Smiths care to restore it to their lodge.

Surface Rights Survey Inaugurated In Tahoe Forest By Department

Forest Supervisor H. E. Branaugh of the Tahoe National Forest announced that a determination of surface rights project began Aug. 11, upon national forest lands in the East Peavine Area, Placer County.

The project area is within the Truckee, Big Bend and Foresthill ranger districts.

The surface rights projects are conducted to provide for multiple-use of the surface of the same tracts of public land, provided such does not endanger or materially interfere with prospecting, mining, processing operations or uses reasonably incident thereto.

Forest service personnel will visually examine the public land within the project area in a reasonable effort to determine the persons in actual possession of or engaged in the working of such land or any part thereof. The field search will be completed in about three months.

Upon completion of the field work and office processing, the land office, at the request of the forest service, will publish a formal public notice regarding the determination of surface rights on mining claims.

In addition, through the forest service, persons in actual possession of or working a claim, or whose claims are listed in the tract indexes of the local county as affecting any lands described in the published notice, and whose names and addresses have been ascertained, or who have filed in the local county recording office a request for copies of notice will also receive notice by personal service or registered mail.

Maps of the East Peavine Area and copies of a multiple-use mining pamphlet and other information pertaining to the act and the project may be obtained from the forest supervisor's office at Nevada city.

Rotary Governor To Visit Monday

E. A. Combatalade, district governor of Rotary International, District 519, will visit the Truckee Club Monday, September 8.

Combatalade is a resident of Sacramento where he is director of public relation and assistant secretary of the Sacramento Municipal Utility District and president of the Sacramento Camelia Festival Association.

A native of San Francisco, the district governor graduated from

Edmond A. Combatalade

the University of California with an AB degree and received his MA at Columbia University in New York. He served four years as an officer in the army during World War II.

Combatalade has been active in various organizations such as Boy Scouts, chamber of commerce and is past president of eight booster organizations including the Sacramento Junior Chamber of Commerce, State Junior Chamber of Commerce, Sacramento Town Hall and the Rotary Club of Sacramento.

He will meet with members and officers of the local club to discuss aims and programs for the Rotary.

EL DORADO MAN HAS BUSY DAY IN AREA

Wesley Edwards, 32, of Shingle Springs, El Dorado County, had a busy day before landing in jail at Truckee with four charges against him, highway patrolmen said.

He was sought for hit-run property damage near Weimar, Placer County; was knocked down by a Kingvale service station man on Highway 40 who said Edwards shoved a rifle against his face and cocked it, and was picked up later by patrolmen.

Patrolmen C. H. Sovey and C. D. Wilson charged Edwards with deadly weapon assault, disturbing the peace, carrying concealed weapons, and hit-run driving. They also jailed his companion, Edward Lon Balderston, 40, of Shingle Springs.

Bill West, station operator at Kingvale, six miles west of Donner Summit, said Edwards came into his station, asked for a fan belt, and became abusive when he returned with one too small.

West said that he "ducked" several blows thrown by Edwards, and "decked" him when the fist-swinging became too monotonous. He said Edwards came back from his car with the rifle.

When they caught up with Edwards and Balderston, 15 miles west of Kingvale, officers said, they found the rifle and a .38 caliber revolver in the vehicle.

DONNER UTILITY IS DEFENDANT IN SUIT

NEVADA CITY — A suit asking $16,500 in total damages was filed against the Donner Summit Public Utility District by a man who charges the district with "wanton disregard" of his property rights.

The superior court action, brought by Virgil C. Jones, complains that the utility district moved equipment onto his Soda Springs subdivision property and laid a pipeline across it without his knowledge or consent.

Jones alleges that the wrongful acts of the utility district began in the latter part of 1957 but that he did not become aware of them until June 15, 1958.

The suit asks $11,500 in compensatory damages and $5,000 in punitive and exemplary damages. Jones says the district removed, misplaced or destroyed 15 survey stakes that were on his property.

Leo Todd of Grass Valley is attorney for the plaintiff.

Lake Level

TAHOE CITY— With all gates into the Truckee river still closed, the level of Lake Tahoe Monday stood at 6228.80 feet (provisional, subject to revision). Normal summer temperatures have prevailed with a low reading of 42 and a high of 77 degrees at Tahoe City.

CARD OF THANKS

Sincere thanks to friends for their kind thoughts and deeds in our recent sorrow at the death of our father.

Eunice and Charles Henrikson

SAFE WALKING TIPS

MALES, BEWARE

If you are a man, watch out when you cross the street. Three out of four adults killed in pedestrian traffic accidents last year were males, the American Automobile Association reports.

Men are naturally more aggressive, and, as a result, take greater risks. They also tend to have less patience for such things as waiting for the traffic light to change, or walking to the corner to cross the street.

Two other factors are the greater number of men on the streets at night, the worst time for pedestrian accidents, and the fact that women's light stockings reflect headlight beams better than men's dark trousers.

Whatever the reasons, it is high time men took stock of their walking habits. Whatever other ways they may be superior, they take second place to the ladies as safe pedestrians.

From PLANNED PEDESTRIAN PROGRAM, published by The AAA Foundation for Traffic Safety

$19,000 ALLOCATED FOR ROAD REPAIR

SACRAMENTO —(CNS) — The California Highway Commission has allocated $19,000 for repair of slip-outs which occurred during the past winter on sections of the Gold Run-Lake Alta Road, between Monte Vista and Alta Road.

This county road will serve as a detour around future freeway construction on U.S. 40 near Baxter.

Returns to City—

Jean Mooney left here this week for San Francisco after several weeks stay.

From Capital—

Mr. and Mrs. Art Walters of Sacramento were visiting friends here during the weekend.

Football Prospect—

A prospect for the tentative 1958 University of Nevada football team, in end position is Tom Sheehan, at the beginning of the tryouts for the team beginning Labor Day.

To Quincy—

Mr. and Mrs. Robert Gifford and daughter stopped briefly in Truckee on Sunday enroute from Lindsay to Quincy to visit his mother.

At Squaw Valley—

Mr. and Mrs. Alan Bartholemy and family have been vacationing at their Squaw Valley home. Bartholemy was formerly executive director for the organizing committee of the VIII Olympic Winter Games and the family resides at Tiberon.

RELOCATION OF ALTA STATION WILL START

A low bid of $15,545 was received by the division of highways Friday to relocate certain facilities at the Alta Fire Station on Highway U.S. 40. The low offer was made by Claude L. Youngs, Inc., of Sacramento and was one of the three bids received. The bids were opened in the Marysville office of the

Back From Vacation—

Mr. and Mrs. Emery Lander and family have returned from a vacation much of which was spent in San Diego and coastal points. Lander returns to his duties with the sheriff's office tomorrow.

Harts at Auburn—

Mr. and Mrs. Deloy Hart and children are now making their home at Auburn.

Resumes Teaching—

Mrs. Connie Johnstone, daughter of Mr. and Mrs. Mel Throop of Kings Beach, has resumed her teaching job in Eureka after a visit with her parents.

Jeffords Here—

Mr. and Mrs. Robert L. Jefford of Sacramento, the former once a Nevada County coroner, were visitors in Truckee Sunday.

On Vacation Trip—

Mr. and Mrs. Cecil Edmunds have left for an extended vacation trip and planned to return home in about three weeks.

DONNER TROOP MEET

The Donner Troop of Girl Scouts will hold a morning session between 10:30 and noon on September 9 in the Veterans' Memorial Building.

Patient Here—

Mrs. Don Sites was a patient at Tahoe Forest Hospital this week, her friends are hopeful for her early recovery of health.

Streets Here—

Mr. and Mrs. John Street and daughter, Cathy, of Barstow, visited with friends here this week while on vacation. The Streets formerly lived here but moved south three years ago. He is with the state quarantine station at Barstow.

TAHOE BURGLAR IS GIVEN JAIL SENTENCE

AUBURN— James L. Jones of Auburn was sentenced to serve six months in the county jail and placed on probation for two years by Superior Judge Lowell Sparks on a charge of second degree burglary.

He pleaded guilty of entering a service station at Meadow Vista last July 6th.

Clifford C. Barker also pleaded guilty of second degree burglary. He was accused of entering the home of Wilma Larson at Tahoe Vista. The court will sentence him after hearing a report from Probation Officer James Nelson today.

STOP TREES FROM DYING!
Infested trees removed and burned to prevent spread of disease.

THE EPIDEMIC OF PINE BEETLE
Is taking a toll of trees in this district !

This can be controlled by improving the health of trees being threatened.

We specialize in feeding, pruning and immunizing by creating a thrifty, healthy condition in non-infested trees.

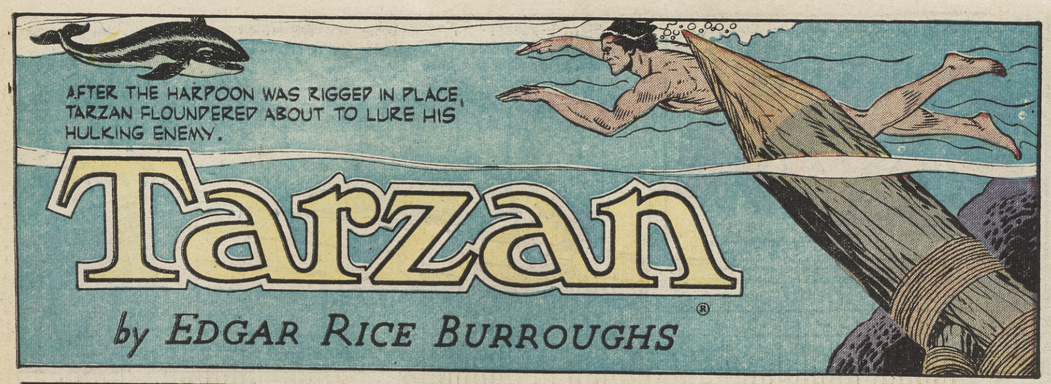
Tarzan

by EDGAR RICE BURROUGHS



AFTER THE HARPOON WAS RIGGED IN PLACE, TARZAN FLOUNDERED ABOUT TO LURE HIS HULKING ENEMY.
THE MIGHTY TA-HU PURSUED TARZAN WITH GAPING MOUTH, SO INTENT ON SWALLOWING HIM THAT THE HARPOON WAS UNNOTICED!
THE APE-MAN SLIPPED QUICKLY PAST THE TREACHEROUS POINT OF HIS WEAPON.
AND THE MOMENTUM OF THE GIANT KILLER WHALE CAUSED IT TO BE IMPALED THROUGH THE MOUTH!
Dick VanBuren John Celardo
THE MONSTER THRASHED ABOUT DESPERATELY, CHURNING THE OCEAN INTO AN ANGRY FOAM.
THUS ENDED THE REIGN OF THE TERRIBLE TA-HU. THANKS TO THE APE-MAN THE MADORA NATIVES COULD LIVE PEACEFULLY AGAIN...
Copr. 1958 Edgar Rice Burroughs, Inc.—Tm. Reg. U.S. Pat. Off. Distr. by United Feature Syndicate, Inc.

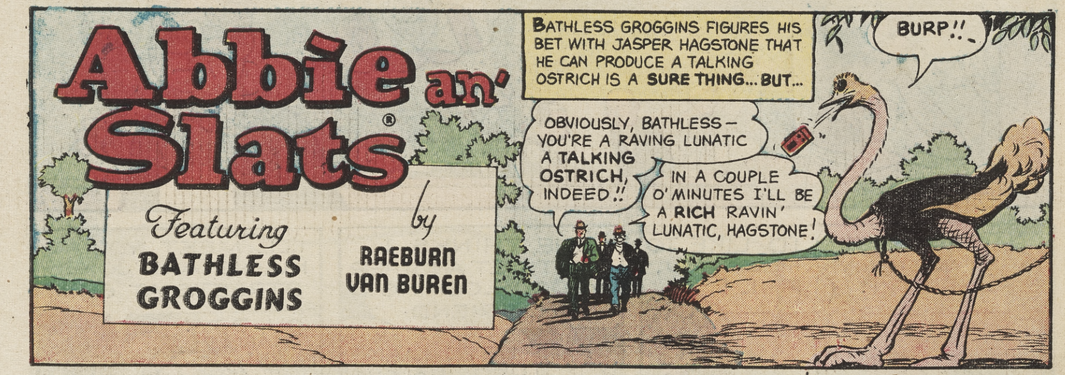
Abbie an' Slats

Featuring BATHLESS GROGGINS by RAEBURN VAN BUREN



BATHLESS GROGGINS FIGURES HIS BET WITH JASPER HAGSTONE THAT HE CAN PRODUCE A TALKING OSTRICH IS A SURE THING... BUT...
BURP!!
OBVIOUSLY, BATHLESS — YOU'RE A RAVING LUNATIC A TALKING OSTRICH, INDEED!!
IN A COUPLE O' MINUTES I'LL BE A RICH RAVIN' LUNATIC, HAGSTONE!
ALLRIGHT, YOU POOR, TRUSTIN' BABOONS — JUST LISTEN T' THIS OSTRICH. GABTALK IT UP, LEROY, PARTNER!
BOGGLE!!
GIVE 'EM A BALLAD, OR HOW'S ABOUT RECITIN' THE FACE ON THE BARROOM FLOOR, HUH, PAL —
WELL, GROGGINS, WE'RE WAITING!!
LEROY — THIS IS NO TIME T' BE MODEST — NOT WHEN I GOT A SAWBUCK RIDIN' ON YER TONSILS!!
AND MUCH--MUCH LATER--
ONE CRUMMY LITTLE WORD, LEROY-- JUST (GROAN) ONE!
TIME'S UP, GROGGINS. HAND OVER THE MONEY, HAGGIS!
HEY!! HE'S (GASP) EATIN' THE MONEY!
9-7
BURP!
LEROY MAY NOT BE LEGAL TENDER, HAGSTONE, BUT HE'S THE NEAREST THING TO LEGAL TENDER I GOT LEFT SO YOU GOT YOURSELF AN OSTRICH!
JUST (GROAN) WHAT I NEEDED!

Archie

by BOB MONTANA

ARCHIE, AREN'T YOU WORRIED ABOUT VERONICA VISITING HER AUNT NEAR THAT BOYS' CAMP?
NOT MY HOMING PIGEON! HERE'S A MESSAGE FROM MY MORSEL!
ARCHIE! WHAT HAPPENED?
HIS PIGEON FLEW THE COOP!
SHE GOES TO VISIT HER AUNT, AND (SOB) I LOSE HER! (SOB, SOB)
ARCHIE GOT A "DEAR JOHN" LETTER FROM VERONICA!
Dear Archie: Wait until you meet Jack. It was love at first sight. We are driving home next week for Daddy's approval.... then we will get the license
Veronica
CHEER UP, ARCH! MAYBE YOU'LL CATCH THE BRIDE'S BOUQUET!
WHAT I OUGHT TO DO IS HANG ONE RIGHT ON THIS JACK'S SNOOT!
GO AHEAD! I HEAR HE'S A CHAMP BOXER!
HE'S BEEN TRAINING LIKE CRAZY ALL WEEK!
HERE THEY COME!
MEET JACK!
A BOXER DOG?!!
HA-HA! ARCHIE TRAINED FOR NOTHING!
FOR NOTHING??
OH, ARCHIE! SUCH AFFECTION!

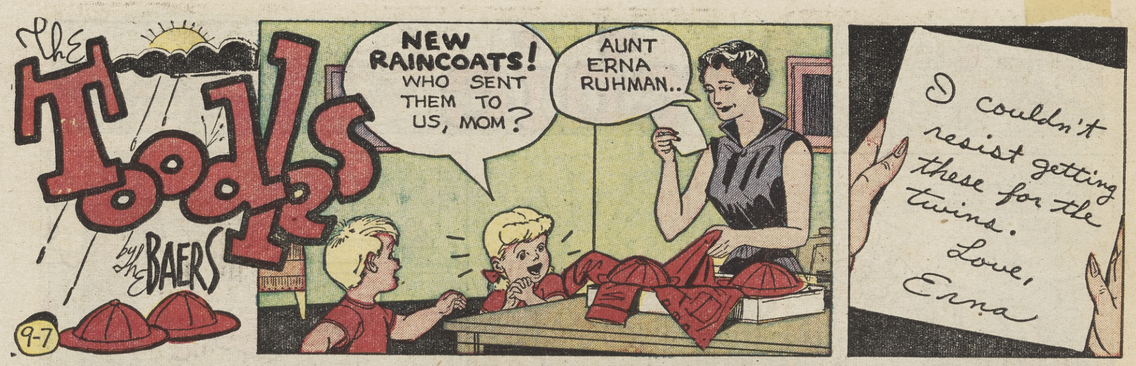
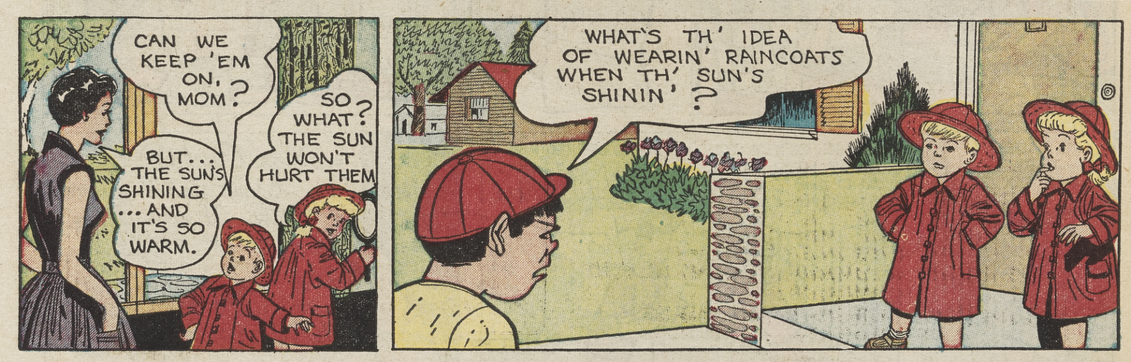
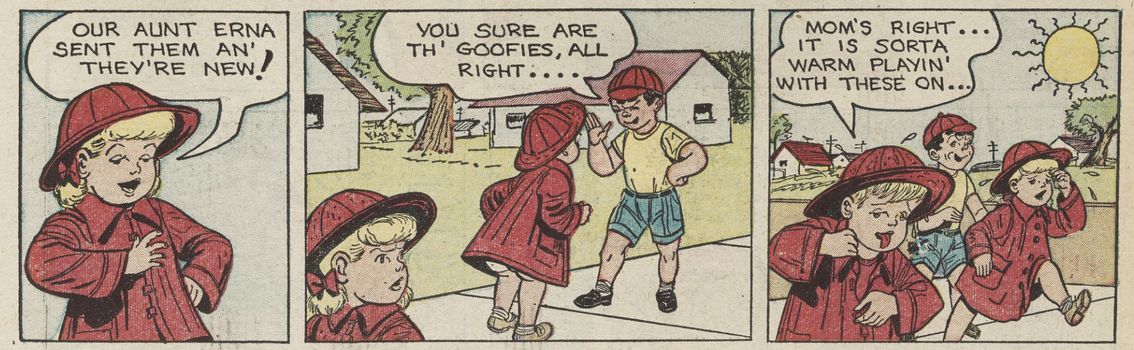
The Toodles

by the BAERS





CAN WE KEEP 'EM ON, MOM?
BUT... THE SUN'S SHINING ... AND IT'S SO WARM.
SO WHAT? THE SUN WON'T HURT THEM
WHAT'S TH' IDEA OF WEARIN' RAINCOATS WHEN TH' SUN'S SHININ'?



LOOK, PAT.... THERE'S A BIG BLACK CLOUD ...MAYBE IT'LL RAIN!
IT IS RAINING!
WHERE ARE YOU GOING, PENNY?
IN THE HOUSE... IT'S RAININ' TOO HARD AN' I DON'T WANNA GET MY NEW RAINCOAT WET!
